

ODDS AND EVENS

On July 23, 2016 the LWMGA Odds and Evens Tournament was played at Holmes Golf Course. Members signed up as 2-person teams and played the odd-numbered holes as alternate shot and the even-numbered holes as a scramble. The tournament was pre-flighted by team handicap into four flights to accommodate the 42 brave women signed up to play in the hot and humid conditions. Special thanks goes to the Holmes staff for providing coolers of ice water on the course and serving up a lunch special, including a delicious and well-decorated carrot cake!

Winners in each of the flights and the team score include:
