

6-6-6 Tournament

The Lincoln Women's Golf Association held their 3rd event **6-6-6** at Holmes Golf Course. Thirty four women came out to play in this event.

The 6-6-6 format is a two person team event where holes 1-6 is a traditional scramble, holes 7-12 is a best ball where each team member plays their own ball on each hole and the lowest net score of the team is recorded as the team score. Holes 13-18 is an alternate shot where it must be decided who is player A and who is player B. Player A tees off on holes 13,15,and 17. Player B tees off on holes 14,16 and 18. Players alternate hitting the next shot until the ball is holed and the total number of shots is the team score for that hole.
