

BLIND DRAW MYSTERY PARTNER

A hot humid day greeted 39 women of the Lincoln Municipal Women's Golf Association on June 11th for a mystery partner event. The course at Pioneers was in fabulous shape. The mystery partner format had players sign up individually and then be paired by random drawing with their first mystery partner. Those twosomes played with another twosome not knowing whether all four were on the same team. Each twosome played a best-ball format. Upon completion of the round, players learned that their four-person team consisted of another twosome that they had not played with. Scores were computed by combining the net best-ball score from each twosome on the team.

Winning the event with a combined score of 130 (65-65) was the team of Deb Oman, Renee Pearson, Caroline Okelberry and Jodi Nelson. Second place went to Sandie Gonnerman, Mary Sand, Eva Hurt and Hap Loomis with a score of 135 (70-65). The third place team of Callen Frenzel, Deanna Stranathan, Sherry Hutchison, and Susan Pallas-Duncan came in with a score of 138 (67-71). Fourth place was secured by Jean Brennforder, Deb Holland, Karen Flowers, and Tammy Poe. Flowers and Poe shot the low round of the day, 62! The team score for the fourth place winners was 142. A card playoff was needed to decide fifth place and the team of Susan Holland, Bev Kipper, Sandy Amen, and Sharon Hanigan took home the prize with a team score of 147 (73-74).
